TEAM BUILDING AWAY DAYS AT KNEPP

Rewild your team

Rewilding is all about letting go, allowing dynamic, natural processes to happen, and embracing the unexpected. It's about recognising how change unlocks opportunities and triggers new energy. This is incredibly stimulating and relates to how we live our lives and conduct business.

On a Team Building Day at Knepp you will experience a reconnection with nature in one of Britain's most daring nature experiments. Learn to think holistically and outside the box like a rewilder and build team spirit through the inspiring and hopeful lessons of trusting in nature.

Your host for the day will be one of Knepp's in-house team. They will have their own areas of expertise such as biodiversity, rewilding ecology or natural capital.

THE DAY

Welcome

You'll be hosted by one of Knepp's experts. Your Team Away Day will start with a brief welcome talk about rewilding and how Knepp is delivering powerful nature-based solutions to tackle climate change, pollution and biodiversity loss. You'll hear about the future of Knepp – 100-mile wildlife corridors, large-scale river recovery, and the huge potential for nature restoration unleashed by new funding streams from the public and private sectors.

Safari

Your team will then head out on a walking safari in search of free-roaming herds of longhorn cattle, Exmoor ponies, Tamworth pigs and red and fallow deer, the drivers of our rebounding ecosystem. Your team will visit wildlife 'refugia' to look for snakes and frogs, keeping an eye out for red kites, buzzards, dung beetles, butterflies and host of other species, while listening to surround-sound birdsong on your way. Above you, white storks wheel around the sky or bill-clatter on their nests – the first wild population in Britain for hundreds of years.

Lunch

Finally, your team will enjoy a delicious No-Plough lunch from Knepp's Wilding Kitchen, showcasing Knepp's Wild Range charcuterie, rare roast beef and our organic, vegetarian and vegan seasonal salads and vegetables from our Market Garden.
